A Message from Mrs. Earle

Dear Saint Matthias Families!

Welcome to spring! The vernal equinox is at 4:47 AM tomorrow when there will be equal amounts of day and night at all points on earth. The equinox is important as we shift to more daylight in every 24 hour period. It feels like there is more daylight in our school lives also. We are (almost) all back together every day and we continue to work toward and look forward to something closer to what school used to look like as planning begins for 2021-2022.

Picture Retakes are scheduled for next Friday, March 26th. If your child missed the opportunity for their school picture you will receive a note from Mrs. Blaha. The link is provided here for children who missed the picture opportunity in the fall. Any other parents who would like a retake for their child should contact Mrs. Blaha. http://scholastic-reflections.hhimagehost.com/7304RT20

Yard Signs! We have yard signs for parent pick up. If you would like to put a St. Matthias yard sign in your yard, we would love to give you one! The signs promote enrollment for next year.

After School Pick Up Procedures Map is also included in today's mailer. It is important for the safety of our students and the drivers that all follow the guidelines for pick up. The process is designed to minimize the amount of time it takes to pick up each grade band. When drivers park in sections other than their designated section, it causes confusion and delays. Please park in your grade band area and wait until prompted to pull around and retrieve your child. Their safety is a priority! **We also ask that all drivers keep their speed to a minimum for everyone's safety.**

St. Matthias is searching for a **MEC Supervisor for the 2021-2022 School year.** If you or anyone you know has daycare or teaching experience and are interested in an opportunity to design the before and after school care program for next year, please let us know!

As Father Chuck said in this week's Mass, we show God's love by taking care of each other as best we can. We are privileged to take care of each other here at St. Matthias!

Sincerely,

Karen Earle
