A Message from Mrs. Earle

Dear Saint Matthias Families,

Our last school day in May but the weather feels like November! We head into June noting the very few days our 8th Graders have with us. We ask that you keep them in prayer. This next week or so will be a combination of excitement and apprehension as they close out their time in grade school and look forward to new opportunities, challenges and adventures in high school!

Included here is the **pickup schedule for the last day of school, Thursday, June 10th.** This is a half day schedule so dismissal will be staggered from 11:05 - 11:30 as follows:

K4/K5 - 11:05 1st/2nd - 11:15 3rd/4th - 11:20 5th/6th - 11:25 7th - 11:30

Please note the times.

Next Friday is a schoolwide Fun Day! Your children's teachers are planning time with their classes to celebrate the school year! Thank you to all who contributed prizes to classrooms!

We will begin **collecting Chromebooks** next week. If your child has a school-issued Chromebook, please be sure it is returned with the charger. The conditions of the devices will be assessed. Normal wear and tear is expected, however, damage to the devices will also be assessed. **Chromebooks must be returned no later than Friday, June 4th** but may be sent back to school anytime next week. Students who are all virtual may keep their devices until directed by their classroom teacher to allow for continued instruction through the end of the year.

Any tuition paying families interested in using Smart Tuition during the 2021-2022 school year, please contact Ms. Terri Czerwinski at tczerwinski@stmatthiasmilw.org before Thursday, June 10th.

At Mass this week, Father Chuck talked about forgiveness. He reminded us that when God forgives us, we start anew, as new people. What a comforting thought to know that we always have a chance to begin again as loving children of God.

Blessings this Memorial Day weekend!
