A Message from Mrs. Turner

Dear St. Matthias Families,

Happy first Spirit Day! It has been my joy to meet and spend time with students this week. Our music teacher, Mr. Joyal, had to have unexpected surgery right before school started and will be out for a couple weeks. In his absence, I had the opportunity to sub for a few music classes this week. I was deeply blessed to visit with our kind and thoughtful students. Today during recess, I asked the students in grades 4 and 5 to tell me what the best part of this past week has been. Many students commented that they are thrilled to be back in the specials classrooms and to be with their friends again. Their excitement for school is contagious!

Happy Labor Day - Just a reminder that we do not have school on Monday, September 6, in honor of Labor Day. Have a great three-day weekend!

Morning Drop Off - A gentle reminder that students need to be dropped off on the playground/parking lot in the morning until 7:55 AM. The front entrance on Beloit should only be used **after** 7:55 AM when students are tardy. Thank you for your cooperation.

Wednesday, September 15th is Parent Information Night. In an effort to keep students and their families healthy, this year's Parent Information Night will be held virtually. Next week, teachers and the school office will send Zoom meeting links home. Each homeroom teacher will have their own unique link. Middle school teachers (7th and 8th grades) will host a combined meeting. Homeroom teachers will run 2 live meetings, one at 7:00 PM and the second beginning at 7:30 PM. If you have more than 2 students at St. Matthias, teachers will be recording one of their meetings for you to view at a later time. Specialty teachers will be putting together a newsletter to share their plans for this coming school year rather than hosting a Zoom meeting. Please contact specialty teachers via email if you would like to meet with them one-on-one.

This year I will be starting the **Bulldog Award**. Yesterday at Mass, Father Dave encouraged us to strive to be a) hardworking, b) curious, and c) kind. In response to this challenge, I will be looking for classes that strive to live these characteristics. This week the Bulldog Award goes to Mrs. Wehr's fourth grade. These students showed kindness to each other as they worked hard during a social-emotional activity we completed together. They also spent time this past week making get well cards for our music teacher, Mr. Joyal. Great way to start out the school year, fourth grade!

We are still in search of a few workers for our extended care before and after school program (MEC). If you or someone you know is interested in a part-time position, please contact Terri Czerwinski at tczerwinski@stmatthiasmilw.org.

Have a wonderful Labor Day weekend.

Blessings,

Mrs. Alissa Turner

Every September, we celebrate the goodness of whole grains! The annual Whole Grains Month campaign brings whole grain recipes, health information, cooking tips, and much more to people around the world. Whole Grains Month is a great time for everyone to get on the whole grains bandwagon. Eating better is not an all-or-nothing choice. Every little improvement you make in your food helps—all year long.
