A Message from Mrs. Turner

Dear St. Matthias Families,

Welcome, fall. I always anticipate fall with mixed feelings. I love the colors that autumn brings, but I dread the cold of winter that is sure to follow. We've seen fall-like weather this week and I've heard many students mention that they are cold. Please consider sending students in layers so that they have what the need to feel comfortable depending on the time of the day. Thanks!

The *Soles for Education Walk* committee met this past week and are planning some exciting events as a part of our annual fundraiser. Fundraising will begin the week of October 4th. Participating students will be entered into raffles and will be eligible to win some fabulous prizes! We are still finalizing the date and time of the *Soles Walk* but should have a finalized date by next week's mailer.

School Advisory Committee/ Home and School/ Athletics Info Night

We were unable to conduct our normal School Advisory Committee (SAC) and Home & School portions of Parent Information Night. SAC, Home & School, as well as Athletics will host a virtual information night on Monday, October 11 beginning at 6:30 PM. Each organization would appreciate questions from parents prior to the meeting so they can address questions and concerns as a part of their presentation. Please see short blurb and contact information from each organization below. We look forward to seeing you on October 11.

MAP Testing

We completed our first week of MAP testing. We will complete our testing this coming week. Thank you for helping your students get a good night rest and breakfast so that they are fueled to do their best on these important assessments.

Bulldog Award

The Bulldog Award is awarded to a classroom that has been found to be a) hardworking, b) curious, and c) kind. This week the Bulldog Award goes to Ms. Duhn's second grade. 2nd grade was nominated by several teachers this week because of their consistent acts of kindness and hard work in class! Way to go 2nd graders.

Picture Re-Take Day

Wednesday, September 29th is picture retake day. If your child will be getting their picture taken they may dress up that day (**NO JEANS or SWEATS**). Only students having a picture taken may dress up.

COVID-19 Updates

Students are doing a great job following safety protocols. We are going through a large quantity of masks in the office. Please check that your student has a mask when they leave the house. If your student's mask tends to get wet or dirty easily, keeping a backup mask in their backpack is helpful.

This week's Covid summary:

- Four students (two families) are in quarantine due to being close contacts with someone who is positive.
- No new cases since last Friday, September 17.
- No classes are in quarantine.
- No staff members are in quarantine.

Blessings,

Mrs. Alissa Turner
