TOO FEW RUNS

Team only manages 4 runs in losing 2 of 3, during final night of the season.

In the last night of the season, the team travelled to St. Gregory the Great, hoping to come out of the night with a winning record against them. St. Matthias needed 2 wins to make that happen. Instead, they lost 2 games, managing only 20 hits, with 3 of them being triples, and scored only 4 runs. St. Gregory had to give up 2 runs for the handicap.

Game Re-caps

Game 1: St. Matthias lost this game 2-7 (includes handicap). As is the norm for this season, St. Matthias lost the first game. They were, however the first team to score a run. They did so during the top of the 2nd inning. Rick led off with a triple and came home when Ed hit the triple. When the handicap was added, St. Matthias led 2-0. The game stayed that way until the 6th inning, when St. Greg's scored 3 times to take the lead. They padded their score in the next inning by adding 4 more runs. *Box score: St Matthias, 2 runs on 6 hits; St. Gregory; 76 runs on 12 hits.*

Game 2: The team won the 2nd game 13-6. (Includes the handicap) St. Gregory scored the first run of this game in the top of the 1st inning, when they took a 0-1 lead. From that point on the game was very quiet, until the 8th inning. St Greg's put a runner on in every inning, finally bringing their 2nd run in during the top of the 8th inning. On the other side of the field, St. Matthias scattered 3 singles through the 1st 7 innings. In the 8th, they finally got going, scoring 4 runs, including the handicap. Ray led off with a single, and scored when Gary got the triple. Gary came home off of Mark's single to close out all scoring for the game. *Box Score; St. Matthias 4 runs on 6 hits; St. Gregory the Great; 2 runs on 11 hits.*

Game 3: The final game was lost by St. Matthias 2-3 (includes handicap). Game 3 was not a good game for the team from St. Matthias. They simply could not get anything going. They managed a hit, to open the game, but could not bring him home, They then went into the 5th inning, before they got their next hit, and added their 3rd hit in the 6th. St. Greg's was not doing much better. They did score 2 runs in the bottom of the 2nd inning, but did not score again until the 7th. St. Matthias opened the 7th inning with a single by Rick. He scored when Ken got a triple, with the handicap, that tied the score at 2 apiece. That score was short-lived as St. Gregory's scored twice in the bottom half of the inning, and then added to that in the 8th, by adding to more runs. *Box Score: St. Matthias 2 runs on 8 hits; St. Gregory the great (B); 6 runs on 13 hits.*

Player of Night

Rick hit at a .364 average (4 for 11). All of his hits were singles. Honorable mentions go out to Gary and Ray. They both had 3 hits in 10 at bats and they had an RBI.

Memorable At-Bat of the Night

In searching through the score sheets, I could not find a memorable at bat for either team.

Manager's Musings

Tonight was a perfect example of how we did all year. Lose the 1st, win the 2nd and lose the 3rd. I don't know about any of you, but it was a disappointing season. On the positive side I really enjoyed the season, as I always do. It's great to be out and about and have fun, with a bunch of friends. Last night, although not a good night, dartball wise, was still a fun night. St. Greg's is a great bunch of guys, and I always have fun when we play them. I hope you enjoyed the season, from that perspective.
